Marine Clientele:

The implementation of 2ESSB 5742 has brought about many changes to the marine clientele and this Commission. We appreciate how the clientele and Public Employment Relations Commission staff have worked with us to make the transition as seamless as possible. As things have become settled, we want to take the opportunity to remind the clientele that the Marine Employees' Commission retains the authority under governing statute and regulations to act as the arbitration panel for contracts involving the Ferries Division of the Washington State Department of Transportation.

Very truly yours,

MARINE EMPLOYEES' COMMISSION

CATHERINE M. ROTH, Chair

JOHN M. COX, Commissioner

MARK E. BRENNAN, Commissioner
