No political emails or information may be sent through county email or by using county equipment.
- G. The Union shall notify the County Commissioners of the shop stewards and Chapter Chair.
- H. New Employee Orientation. The Employer agrees to notify the Union staff representative and Local Union President in writing of any new employees with a report monthly. A Union official shall, at no loss of pay, be granted up to thirty minutes to provide each new employee (one-on-one) a basic overview of the employees' rights and responsibilities regarding Union membership, dues authorizations, and Union insurance.
- I. Reasonable time off will be granted to one (1) bargaining unit member in each separate department working swing shift to attend each of the four (4) Local Union General Membership meetings and four (4) chapter meetings held each year.

- B. The County agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the County or any County representative against a Union employee because of Union membership or because of any employee activity in an official capacity on behalf of the Union, or for any other cause.
- C. Membership. For current Union members and those who choose to join the Union, the Employer shall deduct once each month all Union dues and fees uniformly levied and shall continue to do so for such time and on conditions set forth in the authorization for payroll deduction. The Union shall notify the County within forty-five (45) days of the expiration of any employee's financial obligations of their Union.

The Employer shall honor the terms and conditions of each employee's authorization for payroll deduction.

- D. Cards. The Employer shall transfer amounts deducted to Council 2. Authorizations for Payroll Deduction are valid whether executed in writing or electronically.

The Employer shall provide an electronic copy of the Authorization for Payroll Deduction and Representation via email to C2everett@council2.com monthly. The Employer shall maintain their copies of our cards in a secure location that is available to the Union.

- E. Bargaining Unit List. The Employer shall provide to the Union monthly a complete list of all bargaining unit members that includes: Employee name, home address, hire date in current bargaining unit, job classification, department, hours worked and monthly base wage.
- F. Indemnification. The Union shall defend, indemnify, save, and hold the County, which includes its officers, officials, employees and volunteers, harmless from any and all claims, injuries, damages, losses or suits arising out of or in any way resulting from acts, errors or omissions which may occur by reason of any action taken by the County to comply with the provisions of this Article, including, but not limited to, reimbursement for any legal fees or expenses incurred in connection with such action.

ARTICLE 6 — GRIEVANCE PROCEDURE

A. Crucial to the cooperative spirit in which this agreement is made between the County and the Union is the sense of fairness and justice brought by the parties to the adjudication of employee grievances. All grievances will be handled by the County in a discreet, confidential and professional manner. This procedure shall be the exclusive method of dispute resolution for those things appropriate for grievance resolution excepting only where other procedures are provided by law.

Step 1 - Should an employee feel his rights and privileges under this agreement have been violated, the employee shall consult with the Union Steward. The aggrieved employee and the Union Steward shall within ten (10) working days after the date the grievance occurred or became known, present the facts in writing to the appropriate Supervisor who is not a bargaining unit member, or the Department Head, or Elected Official. Within ten (10) working days thereafter, an answer shall be submitted to the Union Shop Steward and the aggrieved employee in writing.

Step 2 - If the grievance still remains unadjusted, it shall be presented by the Union steward or Union representative to the County Commissioners in writing within ten (10) days after the response of the Supervisor, Department Head, or Elected Official is due. The County Commissioners or its designee shall respond in writing to the Union steward or representative (with a copy of the response to the local Chapter Chair) within ten (10) working days of the date the grievance is heard.

Step 3 - If the grievance is still unsettled, the Union may, within fifteen (15) working days after the reply of the County Commissioners or its designee is due, by written notice to the other, request arbitration.

The parties shall attempt to mutually agree upon an arbitrator within fifteen (15) days of the Union's notice of arbitration to the County. If the attempt fails, the arbitration proceedings shall be conducted by an arbitrator to be selected by the County and the Union within thirty (30) working days after the arbitrator's list has been received from AAA. The parties shall select an arbitrator from the list provided by the American Arbitration Association. The list shall consist of nine (9) arbitrators. Both the County and the Union shall have the right to strike names from the list. The party winning the coin toss shall strike the first name; the other party shall then strike one name. The process will be repeated and the remaining person shall be the arbitrator.

The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue his decision within thirty (30) days after the conclusion of the testimony and argument. The arbitrator shall rule only on the basis of the information presented at the hearing and shall refuse to receive any information after the hearing, except upon mutual agreement between the parties.

Expenses for the arbitrator's services and the proceedings shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses.

- E. The local Union may use their Council representative or legal counsel in any of the proceedings.
- F. Having given notice to the Department Head or Elected Official, shop stewards and/or Chapter Chair shall be given reasonable time off with pay to investigate and process grievances on a one-on-one basis. The processing of grievances shall be permitted during working hours without loss of pay so long as it does not unreasonably disrupt normal office operations as determined by the Department Head or Elected Official. There shall be no discrimination against the shop stewards or, Union representatives or the grievant for their Union activities.
- G. Time is of the essence in processing grievances. Those grievances that are not processed within the time limits set above will be dropped. If the County does not respond within the time limits set forth above, the employee or the Union may process the grievance to the next step in the procedure. Time limits for processing grievances may be extended by mutual agreement of the parties in writing by confirmation.
- H. Any notice or delivery of any material or decision required under this Article shall be in writing and delivered by hand, e-mail or via United States first class mail to the other party.

ARTICLE 7 — DISCIPLINE AND DISCHARGE

- A. Discipline - Disciplinary action or measures shall be taken only for just cause and will include only the following steps, which may occur in the order listed below, unless the actions of the employee warrant more severe measures:
 - 1. Oral reprimands
 - 2. Written reprimand
 - 3. Suspension (notice to be given in writing)
 - 4. Discharge (notice to be given in writing)

Oral reprimands shall be defined as those occasions in which a Department Head Elected Official chastises an employee for misconduct, unsatisfactory work, or the like, and which are specifically designated at the beginning of the meeting by the Department Head or Elected official as an oral reprimand. Notations of oral warnings shall be maintained in the supervisor's file, not in the personnel file. Counseling, giving of directions, and/or oral reprimands shall not be grievable. Any other disciplinary action or measure imposed upon an employee may be processed as a grievance through the regular grievance procedure. If the County has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

A Union Representative will be present at all disciplinary actions unless such presence is waived by the employee.

- B. Discharge. The County shall not suspend or discharge any employee without just cause. The employee and his steward will be notified in writing that the employee has been suspended or discharged.

The Union shall have the right to take up the suspension and/or discharge as a grievance at the second step of the grievance procedure, and the matter shall be handled in accordance with this procedure through the arbitration step if deemed necessary by either party.

C. The degree of discipline administered depends on the severity of the infraction. If termination is contemplated, it is the responsibility of the County to thoroughly evaluate and investigate the facts, which shall include holding a pre-termination hearing. The County shall give the Union twenty-four (24) hours' notice of a pre-termination hearing. Prior to the pre-termination hearing, the County shall inform the employee and the Union representative in writing of the accusation being made, who is making the accusation, the relevant facts, and the contemplated remedy. At the pre-termination hearing, the employee and/or Union representative shall be allowed to present the employee's side of the story, and to add relevant facts and describe any mitigating circumstances.

D. No material shall be placed in an employee's personnel file until the employee signs the material as to having seen the material, and has been afforded the opportunity to attach written comments. Employees will sign "receipt acknowledged." There shall be only one official personnel file, which shall be separate from the employee's medical file. Its location shall be identified to the Union. The employees shall have the right to examine their personnel file. Appointments will not be required, however, reasonable time shall be allowed to retrieve the file.

E. Written reprimands and notations of suspension shall include a notice, which designates time frames for review and/or removal of the material from the official personnel file.

F. Except as provided in paragraph A of this Article, a steward or Union representative will be present at all disciplinary actions, unless such presence is freely waived by the employee. The employee shall have the choice of any available shop steward or representative at any disciplinary meeting.

B. Any notice or delivery of any material or decision required under this Article shall be in writing and delivered by hand, e-mail or via United States first class mail to the other party or employee.

ARTICLE 8 — HOURS OF LABOR

A. A regular full-time workweek shall consist of forty (40) hours of time actually worked or compensated within a seven (7) day period (typically Sunday 12 :00 a.m. through Saturday 11:59 p.m.). For regular full-time employees , the workweek shall normally consist of forty (40) hours of time scheduled within a seven (7) consecutive day period . Work hours for full-time employees covered by this Agreement shall normally be 8 :00 a.m. to 4:30 p.m. or 5:00 p.m. (depending on lunch period), unless a County Office or Department establishes an alternate work schedule as described below and detailed in Addendum "D" for approved Alternative Shift schedules. Changes to a regular 8-hour workday start or end times should be made in writing and agreed upon by the Director and employee.

The regular workweek shall normally consist of five (5) consecutive workdays, Monday through Friday. The Employer may modify the regular workweek to support

special purposes at specified periods of time (for instance, elections, April/October tax receipt collections, and annual property revaluations), provided employees receive at least ten (10) working days' notice of the schedule change. If the Employer makes a non-emergency change in the employee's work schedule, the employee shall be given at least ten (10) working days' notice prior to the new schedule going into effect.

- B. Flex Time: An earlier or later starting time may be adopted for any or all employees. Such starting time shall be mutually agreeable with the Department Head/Elected Official and the employees and shall not result in the application of the overtime provision but shall be paid at the regular rate of pay as long as it does not put the employee over 40 hours in the workweek.
- C. Alternate Work Schedule: Workweeks and work shifts of different numbers of hours and/or workdays may be established by the Elected Official/ Department Head in order to meet business and customer service needs, or in response to budgetary demands. Employees may be assigned to an alternate work schedule with ten (10) working days' notice from the Elected Official/ Department Head. Employees may request an alternate work schedule, which is subject to approval by the Elected Official/ Department Head. Alternate work schedules may be mutually agreed upon by the employee and appropriate supervisor/manager and approved by the Elected Official or Designee in writing with a term as long as there is a ten (10) day review prior to the end of the term. Alternate work schedules may consist of four (4) ten (10) hour days, eighty (80) hours worked in nine (9) days as detailed in Addendum "D" which includes some nine (9) hour workdays.

Implementation of alternative work schedules shall comply with the provisions of the Fair Labor Standards Act (FLSA). An employee and the Supervisor shall sign a written document documenting an employee is working an alternate schedule which shall be made available to the Union, upon the Union's request.

- D. All overtime must be approved by the employee's supervisor, prior to the overtime being worked. Overtime pay at the rate of one and one-half (1-1/2) times the Regular Rate of Pay shall be made for actual time worked in excess of employee's regularly scheduled workday (unless flex time has been agreed upon and it does not take the employee over 40 hours worked in the work week), and for any time worked on Saturday and Sunday or regularly scheduled days off, provided these days do not fall on a holiday. Vacation, sick, or other type of leave shall count as hours worked in calculating time worked in excess of eight (8) hours in one day or in excess of employee's regularly scheduled workday. The rate of pay for hours worked on a Holiday shall be calculated under Article 17.
- E. Overtime shall be compensated in monetary payment or compensatory time off. Prior to working the overtime, or during the next working shift, the employee shall notify the employee's supervisor in writing of the select the method of payment. Employees may accrue up to sixty (60) hours of compensatory time. Any compensatory time earned within the calendar year shall be used with a copy of the usage request to the payroll preparer for the department for use prior to December 15 of each year. Any compensatory time remaining on that date shall be paid out. Compensatory time earned in the month of December may be carried over to the following year. Any compensatory time earned over sixty (60) hours shall automatically be paid in-cash out within the pay period it was earned,

the same as any overtime earned. The granting of compensatory time off shall be regulated in conformance with the provisions of Article 14 – Vacations.

- F. Overtime for periods in excess of the minimum call-out time must be offered to the senior qualified person in the appropriate job classification each time the need for overtime arises. If the senior person does not want the overtime, it shall then be offered to the next senior person. If that person does not accept the overtime, it may be offered to any qualified employee in the bargaining unit.
- G. All overtime for custodial staff shall be offered to the employee assigned to a specific work area. If that employee refuses the overtime or is absent, the next most senior employee in that work area or the nearest work area shall be offered the overtime. This provision shall not apply to unforeseeable overtime where the senior most employees are not on duty when the need for the overtime arises.

ARTICLE 9 — SALARIES

- A. Effective January 1, 2023, all salaries within the salary and classification plan will be increased by 5% over the 2022 salary and classification plan.

Effective January 1, 2024, all salaries within the salary and classification plan will be increased by 3% over the 2023 salary and classification plan.

Effective January 1, 2025, all salaries within the salary and classification plan will be increased by 3% over the 2024 salary and classification plan.

- B. **Out-of-Class Pay.** An employee who is temporarily assigned by the Department Head or their designee, to cover the position of an absent employee in a higher classification within the bargaining unit and in fact performs coverage of the assigned work of the higher classification for twenty-four (24) consecutive hours or more during a five (5) day period, shall be paid out-of-class pay, i.e. five percent (5%) above their current salary, for all hours worked in the higher classification. Any language added to a job description such as "does other work as assigned" or "shall assume in the absence of" does not preclude out-of-class pay.
- C. Any employee notified and required to return to work after having left the work site shall receive a minimum of two (2) hours call out pay at the employee's straight time Regular Rate of Pay plus time and a half for all hours worked. Call out pay will only be taken as overtime compensation and not as compensatory time off.
- D. Employees whose shifts are extended without prior notification shall be allowed to notify family on the County's phone line.
- E. If the County determines to conduct or cause to be conducted a classification and/or salary survey affecting this bargaining unit, the Union will be notified as far in advance as reasonably possible and information will be shared. The Union will be given ample opportunity to make recommendations and, where in the opinion of the Union it is appropriate, to serve notice of any disagreement they may have. It is understood that any resulting changes to wages, hours, or other conditions of employment must be negotiated with the Union.

- G. Each employee shall be covered by a step plan. A salary step plan will be maintained by the County. Each step will be one (1) year in length beginning with the date the employee is hired, transferred, or promoted to that particular job classification. As employees change job classifications, their anniversary date for purposes of step increases only will change to the date they begin in each new job classification.
- H. The County agrees to match an employee's pre-taxed deferred compensation contribution up to a maximum of Fifty Dollars (\$50.00) each calendar month.

ARTICLE 10 — PROBATION PERIOD

For Regular Full-Time Employees, there shall be a six (6) calendar month probation period after the initial date of hire during which employees may be dismissed with one (1) days' notice without recourse to the grievance procedure. Employees working less than full-time will complete probation upon working 1,040 hours. The County may extend the probationary period for an additional three (3) months on notice to the Employee and the Union of the basis for such extension. The probationary period, however long, shall be known as the "Probation Period." Employees are not entitled to use or receive monetary payout of vacation leave until completion of their Probation Period.

ARTICLE 11 — SENIORITY

- A. Seniority shall be defined as the initial date of hire and subsequent continuous employment with the County in a represented position. For purposes of promotions, transfers or demotions only, seniority shall mean the most recent date of hire in each individual Elected Official's office or Department of County Government. Previous terminated employment in that department shall not apply for the purpose of promotions, transfers or demotions.
- B. Seniority shall terminate by discharge from service or by voluntarily leaving County service. Previous employment with the County will not count toward seniority. However, employees on layoff status will retain the seniority they had at time of layoff for two (2) years from date of layoff.
- C. Two (2) separate seniority lists shall be maintained: one for Regular Full-Time Employees and a second for Regular Part-Time Employees. Seniority on the full-time list shall date from first date of employment in a full-time position within the office or department. Seniority on the part-time shall list shall date from first date of employment in a part-time position within an office or department.
- D. Replacement of employees on approved leave of absence shall be posted in accordance with Article 12 and shall first be offered to the most senior qualified person on the part-time seniority list. If the most senior person does not accept the part-time work it shall be offered to the next most senior qualified person. When the part-time list is exhausted the position may be posted to the public.

ARTICLE 12 — VACANCIES & NEW POSITIONS

A. All job openings within the bargaining unit shall be posted in all departments in this agreement for five (5) working days prior to the filling of the position. The posted notice shall include the minimum qualifications for the position, which must be related to the ability to perform the job, the salary range, shift schedule and gender requirements. All applicants for a position must indicate in writing, by completing an application, their desire to fill that vacancy or new position opening and provide their qualifications for such position. Job postings shall be posted in a defined location in each department and office. The stewards will be notified of these locations. Job reclassifications of vacant positions must be posted.

B. Vacancies and/or new positions shall be filled by the most senior qualified applicant. "Qualified" shall mean meeting the published minimum qualifications for the job. "Seniority" shall mean the total time in the Elected Official office or Department having the vacancy or new position. Organizational sub-units within an elected Official office or County Department are not recognized as having separate seniority status. Employees whom have received a written reprimand or more, as described in Article 7, within the last twelve (12) previous months to the job posting, may be precluded from applying for vacancies or promotions. In this case, management may choose to go to the next senior qualified candidate on the seniority list. If there is a grievance pending challenging the discipline, it shall not count as discipline and the employee shall be able to apply for the promotion or vacancy. If an employee feels that their prior discipline should not preclude them from applying for a specific promotion/vacancy, they shall have the right to meet with the County Commissioners to present their reasoning, and the County Commissioners shall have the ability to waive this Article and allow the employee to apply for the promotion. The County Commissioners decision shall be final and shall not be grievable.

C. When the County is filling a full-time position, the full-time seniority list will be applied first. If no qualified full-time employee applies, the County shall apply the part-time seniority list prior to consideration of outside applicants. If the most senior qualified applicant does not elect to accept a vacancy or new position, the County shall select the next most senior qualified applicant. If no qualified employee with established seniority applies, or if all reject the position, the County may fill the position with an employee who has not completed his or her Probation Period, or may hire a new employee for the position involved. The County is encouraged to allow preference to any interested applicants from another County office or Department prior to hiring from the outside.

D. Any employee who has refused a position shall not have the right to displace the subsequent holder of said position.

E. (1) An employee who is promoted or transferred to a new position within the bargaining unit shall be granted a full forty-five (45) working-day trial period to prove his/her qualifications and ability, during which period the employee shall be compensated at the Regular Rate of Pay for the position in which he/she is in trial status. The promoted employee's performance shall be evaluated approximately midway through his promotional period, i.e., on or about the 20th through 25th working day. Provided, however, where the performance of the employee is unsatisfactory, the employee may be returned to the former position as set forth below. At the end of the full forty-five (45) working-day period, the employee shall be considered fully classified in the position. If the employee, during the forty-five (45) working-day period, requests

reversion to former position, the employee shall return to the former position at the Regular Rate of Pay received prior to the trial period. The employee shall return to the position without prejudice. If the County removes an employee from the position, the County shall do so for just cause.

- (2) An employee who is promoted to a higher classification, will be guaranteed at least a five percent (5%) increase in salary or the job rate of the new classification, whichever is greater, as long as it does not distort the salary step plan. An employee who is promoted or transferred (does not include new hires) may be placed on a higher step of the salary grid as long as their base salary does not surpass that of any employee in the same classification who has more seniority, and provided all other applicable provisions of the agreement are followed.
- (3) Definition of Transfer. A transfer is a lateral movement to another classification in which the pay range is no more or less than five percent (5%) different than the pay range for the position the employee is leaving. A transferred employee shall not receive any less compensation than receiving at the time of transfer.

F. Request for Reclassification. An employee may request from their supervisor or the Department Head in writing, with a copy to the Union, an evaluation of the duties and responsibilities of their existing position. Request for Reclassification can only be made once per calendar year. Any reclassification of the position may be approved by the Board of County Commissioners after the Department Head or Elected Official completes a study and provides recommendation with regard to title, salary, range, and position description. The department head or supervisor shall respond to the employee in writing within twenty (20) working days of receiving the request. The employee and/or shop steward may, with or without the department head or Elected Official's approval, submit the same request in writing to the Board of County Commissioners. The Board of County Commissioners shall respond to the employee and the Union in writing within twenty (20) working days of receiving the request. The decision made by the Board of County Commissioners is final and cannot be grieved. If approved such approval shall be effective within sixty (60) days of the date of the employee's request. The employee's anniversary date for purposes of step increase shall remain the same as prior to the reclassification.

ARTICLE 13 — LAYOFF AND RECALL

A. The County may lay off by Department. For purposes of layoff, Departments shall be defined as follows:

Adult Probation
Assessor
Auditor
Central Services
Clerk
District Courts 1 & 2
Fair
Forestry
Juvenile Detention
Juvenile Probation
Management Services
Public Defense
Public Health and Social Services
Public Services/Building
Public Services/Environmental Health
Public Services/Facilities
Public Services/Planning
Prosecutor
Therapeutic Court
Treasurer

Layoffs or reductions in force (including transfers for this purpose and reduction in hours) shall be undertaken as deemed necessary by the County and the decision to reduce personnel shall be made in the sole discretion of the County.

No bumping shall occur.

Layoff shall be made as follows:

1. The employee having the least seniority in the particular department shall be laid off first.
2. Part-time employees shall be laid off prior to full-time employees.

B. The County may lay off employees out of the order set forth above, provided evidence is presented that the operating needs of the Department require a special qualification, training or skill as required by law (as required by law applies only to skill).

C. Each employee to be laid off shall be given at least thirty (30) calendar days' notice of layoff, with a copy placed in the employee's personnel file.

D. Employees who remain may be assigned, where appropriate, the duties of those employees/positions that were laid off. No decrease in pay for remaining employees shall occur unless an employee moves into a lower paying position. An employee moving into a lower paying position as the result of a layoff shall be placed at the step within the lower paying position's range that is closest to the salary the employee was receiving prior to moving into the lower paying position.

E. Representatives of the County and the Union shall meet within twenty (20) working days after the County has officially decided that there may or will be layoff(s) within the County that directly affect the bargaining unit. At this meeting, the County shall inform the Union of the details of the layoff situation, including the reasons therefore and the expected duration thereof if known. The Union, in turn, may submit alternative ideas in lieu of layoff which shall be discussed at this meeting or any subsequent meeting mutually agreed upon for that purpose. The County shall provide the Union with a current seniority list as soon as practicable after it has been decided that there will be layoffs that would directly affect bargaining unit work.

F. Seniority for purposes of layoff shall be based upon the most recent date of hire and ensuing continuous employment with the particular Department. No employee will acquire seniority rights for purposes of layoff until completion of his/her Probation Period, at which time his/her seniority shall be retroactive to his date of hire. Should the seniority of any two or more employees be equal, the respective seniority rights of such employees shall be determined by date of application, and if that is the same, the affected employees shall draw lots.

G. All regular employees who have been laid off, subjected to a reduction in hours or downgraded as a result of a reduction in force shall be entitled to the following call-back rights:

1. When regular employees on layoff are reinstated, the order of call-back shall be in reverse order, with the last person released being entitled to be returned to any classification within the bargaining unit previously held by him/her in the course of his employment with the County or lower position in the same classification series in the bargaining unit.

2. The Union and the laid off employee who is eligible for reinstatement shall be notified of the job available and a notice by mail will be mailed by the County to the employee at his/or her last known address. If the employee fails to report for work or otherwise respond to the County within one (1) week from the date of receipt of that notification, or if the notification letter is returned unclaimed, the employee shall forfeit all call back rights; provided, however an employee may refuse recall twice in writing to a classification different than he/she held prior to layoff; provided further, any further refusal, and the employee shall forfeit all callback rights. If an employee exercises his/her option to refuse a particular recall, he/she may not at a later date change his/her mind and request that he/she displace a less senior employee or a new hire who has accepted the position after his/her refusal.

3. Call-back rights for employees laid off shall be for a period of one (1) year from the date of layoff. The County may, however, grant deferment for re-hiring of an eligible person upon receipt of his/her written request with satisfactory reason therefore. Such deferment will thereafter prevent re-hiring of such eligible person until the next vacancy occurs.

4. For the sole purpose of layoff and recall, seniority shall not be broken and shall continue to accrue during any break of two years or less in service which is the result of a reduction in the work force.

5. The call-back list shall also constitute a list for substitute and temporary work. The last employee laid off shall be offered any substitute and temporary work for which the employee is immediately qualified by virtue of past experience or present qualification followed in order by all others on the list. The employee on the recall list who wishes substitute work shall furnish the County with a list of the employee's area of competencies and time availability. Refusal of an employee to accept work as a temporary or substitute shall have no effect upon their rights under this Article.

6. A re-opened position within any bargaining unit need not be posted as long as there is an individual on the recall list who is automatically eligible for the position.

7. Any employee who had his/her permanent job classification downgraded as a result of his/her layoff or the layoff of another employee shall have the first chance in accordance with his/her seniority to be returned, to his/her former permanent classification or any intermediate classification for which he/she is qualified when an opening in such classification becomes available.

8. Any employee in a bargaining unit who has suffered a cut-back in hours due to a reduction in the work force shall be placed on the call back list and have equal rights per Article 12 Section (H) to have those hours restored. An employee covered by this Agreement whose hours are reduced below the number necessary to qualify for full benefits and still working shall continue to receive full benefits for one (1) year.
