THIS MATTER came on regularly before the Marine Employees' Commission for consideration of the National Marine Engineers Beneficial Association Motion to Dismiss.

This matter, an unfair labor practice complaint, was originally scheduled for hearing before Louis O. Stewart, acting as hearing examiner on behalf of the Marine Employees' Commission, on Thursday, May 11, 1989. On May 10, 1989, the Marine Employees' Commission received a telephone call from counsel for the National Marine Engineers Beneficial Association indicating a settlement had been reached and the Marine Employees' Commission would receive written notice of withdrawal. Examiner Stewart cancelled the May 11, 1989 hearing. On June 27, 1989, the National Marine Engineers Beneficial Association filed a withdrawal of its complaint against Washington State Ferries. The Hearing Examiner, under authority of WAC 316-45-150, now enters the following:

ORDER OF DISMISSAL – 1
