To whom it might concern,

Local 17 would like to petition for work units in the Department of Community and Health Services with King County to be reviewed for representation. Attached is the petition request and 30 signed cards. They are mostly from the Project/Program Manager series, however, there are a few other employees in the same work unit who wish to be represented. They appear to show the same community of interest. Please let me know how to proceed.

Thank you for your time.
