Good day. Here is the paperwork to apply decertification for union representation for the mechanics and couriers here at the Spokane Valley Fire Department maintenance division. Attached is the petition and voting card signed by all represented within the cba. I am aware that our current contract does not expire until the end of December of this calendar year, but if we could get the union to agree on releasing us from the cba sooner, that would be our collective agreement here to peruse. Do I need to forward any other entities involved or is that handled by your representation from here on out? Feel free to reach out for any questions to make this move forward as smooth as possible.

Thanks.

Kelly Caudill
